

Please take your FOLDER and take A SEAT!!!

Quietly and ON YOUR OWN please answer the following question:

Warm Up:

What effect does scarcity have on price?

If we run out of a NATURAL resource what will happen to the items that are MADE from that resource?

What can we do to ensure that we DON'T run out of resources?

Can this ALWAYS work?

The Lorax!

We are going to watch THE LORAX.

WHILE WATCHING keep a list of the CAPITAL, NATURAL, and HUMAN resources that we see.

REFRESHER - WHAT IS A CAPITAL, NATURAL, and HUMAN resource?

Resources Chart:		
Natural	Capital	Human

The Lorax Questions

Please answer the following questions, either on your own, or with ONE responsible partner.

Use what you have learned from watching The Lorax to answer the questions.

The Lorax by Dr. Seuss shows how environments change over time.

This book shows cause and effect, or when one thing causes something else to happen.
